

**5.8 PRESENTATION COEFFICIENTS**

**5.8.1 Power Programs**

Category Presentation coefficients for Power programs are as follows:

|              |                          |
|--------------|--------------------------|
| Primary      | 5 K                      |
| Sportsman    | 10 K                     |
| Intermediate | 15 K                     |
| Advanced     | 25 K                     |
| Unlimited    | 40 K (Known and Unknown) |
|              | 40 K (Free)              |

**5.8.2 Glider Programs**

Category Presentation coefficients for Glider programs are as follows:

|              |                          |
|--------------|--------------------------|
| Sportsman    | 15 K                     |
| Intermediate | 15 K                     |
| Advanced     | 25 K (Known and Unknown) |
|              | 35 K (Free)              |
| Unlimited    | 25 K (Known and Unknown) |
|              | 35 K (Free)              |
